

## Letter of Recommendation

December 5, 2016

TO WHOM IT MAY CONCERN:

Dear Sir or Madam,

This letter serves as my formal recommendation for Spaceframe Construction & Engineering Co., Ltd. as a qualified and reputable Project Manager operating in China.

Spaceframe were appointed as our Project Manager of Tender Plus (Shanghai) Co., Ltd. new facility for deep processing of meat products project in Minhang District of Shanghai and successfully delivered the project.

Spaceframe has considerably contributed to the successful implementation of the project. I'm very happy with Spaceframe's project manager – Ding Li, who was responsible and detailed oriented, always there when needed and really made a difference to the project.

I would be glad to cooperate with Spaceframe again in future projects. And I highly recommend Spaceframe as a candidate for the role of Project Manager for your project, and I believe they can add value when working with overseas clients.
